Clayton -le-Woods Parish Council CIL Application Criteria

The Community Infrastructure Levy (CIL) is a levy taken from property developers to contribute to the work that may be required to improve the environment and local services as a result of more homes being built in the area. The Parish Council is given some of this levy by Chorley Council to enable the Parish Council to meet local needs. The Parish Council consults with other local agencies organisations and the community to identify gaps in services and assess priorities.

CLW Parish Council has CIL funding available to support local projects through the award of grants to directly benefit the community and to address demands placed on the area from increased development. This is not limited to projects in Clayton-le-Woods only.

The projects concerned will be varied but must be able to demonstrate a wider community benefit. It is expected that applications come from “not for profit” organisations, however the Parish Council will consider applications from other types of organisations where a community benefit can be derived.

The CIL grant is not available to cover on-going maintenance or revenue costs relating to a project.

Depending on the amount of funding requested you may be required to present further details of the project to the Parish Council directly.

The CIL funding policy will be reviewed on an annual basis.

Consultation with the community and local agencies will take place through the Parish Council Newsletter, the Parish Council website, notice boards, Facebook and other appropriate means.

Details of successful funding bids will be publicised by the Parish Council, and successful projects are expected to refer to the CIL funding in their publicity materials.

It is a condition that the project will be completed within 12 months of the grant award, unless previously agreed by the Parish Council.

Applications for CIL funding will be considered twice a year, subject to CIL funds being available, and the timetable for the CIL applications is detailed below:

Summer Applications - 2021

Application deadline – Friday 21st May 2021

Eligible projects listed for possible consultation – Monday 21st June 2021

Parish Council determine CIL award - Monday 19th July 2021

Winter Applications – 2021/2022

Application deadline – Friday 5th November 2021

Eligible Projects listed for possible consultation – Monday 10th January 2022

Parish Council CIL award – Monday 21st February 2022

Application Steps

- Receipt of application and acknowledgment sent back.
- Parish Council CIL group meeting to assess applications
- Consultation through the published Parish Council Newsletter on CIL applications and/or the Parish Council website and noticeboards.
- Applications re-assessed following consultation
- Applications reviewed at Full Parish Council
- Applicants notified of decision
- CIL monies to be awarded: if less than £500 grant paid in full, if award is more than £500 then a schedule of payments will be agreed over the course of the project.
- Parish Council will review progress with the project
